

Youth & Extreme Camp Packing List

Packing Tips

Label everything with your camper's name (first and last). Please send old clothes that can get dirty. We intend on playing outside a lot! Leave items that are valuable or sentimental at home. Do not send cell phones, IPod's, etc or food. - If you send those things they will be collected and returned to your camper at the end of the session. Pack loose clothing that can be layered as the weather can be cold at night. **Please look through lost and found at check-out. We will keep items for one week and then dispose or donate them.**

Bedding

- single bed sheets (2 sets if you think your child might need them)
- pillow & pillow case
- sleeping bag - campers may sleep under the starts one night!

Clothing
