

Welcome to...

Camp Shaw Waw Nas See

We have over 70 years of experience which combines time-honored camp traditions with new adventures to create the perfect mix of programming for our campers. While at camp, youth will have the opportunity to make new friends, try new things, and gain independence.

At Camp Shaw, campers develop valuable social skills when they put technology down and proactively problem solve, play, and bond with their peers. Join us in summer as we continue to offer fun and safe overnight summer camp experiences unlike any other.

“

I think Camp Shaw is one of the best sleep away camps out there. An electronics free zone where kids spend time getting dirty, having fun, meeting new friends and learning new experiences. The time that they have away by themselves to make their own memories is something that cannot be duplicated.
